Seeking Immediate Full Time or Part Time Bartender Position

## Summary of Skills

With over 10 years of experience in various customer service industries, I have serviced a very diverse assortment of customers. Since I am so relationally focused, my personality and gregarious disposition are very accommodating to the entertainment atmosphere. My allure and playful nature are both revealed in my interactions with my customers. They are the hallmark of why customers seek me out.

## Work Experience

### Brasserie Pavil Cuisine

April 2009

#### Bartender/Server

- Consistently delivered quality service in an exclusive French Cuisine fine dining restaurant by exceeding the high expectations of our guests.
- Exercised discipline to allow myself to juggle multiple tasks simultaneously during high volume periods.
- Worked closely with management to provide a positive and warm atmosphere to guests and team members.

### Admirals Club/Wingate

June 2008 to April 2009

#### Bartender

- Provided bartending services to hotel guests, with menu service at the bar.
- Responsible for opening/closing, stocking inventory and cash handling.
- Analyzed financial reports to determine inventory turnover.

### San Jose Live

June 1987 to December 1990

#### Bartender

- Provided bartending services to restaurant guests including menu service at the bar.
- Responsible for opening/closing, stocking inventory and cash handling.
- Analyzed financial reports to determine inventory turnover.

### Applied Materials

March 1995 to September 2005

#### Manufacturing Engineer

- Worked closely with engineering customers in Support Business Groups for facilitation purposes in the semiconductor industry.
- Reduced operation costs, improved productivity, and enabled customers to reduce inventory.
- Analyzed configuration reports to conform to customers integrated fabs.

## About Dennis

Having grown up in Santa Clara, California, I claim "Southern California is where the grass is always greener". My business background coupled with my personal and easy-going nature makes bartending a natural choice for a long term career.

## Interests and Hobbies

- Outdoors: Mountains, Lakes, Beaches, Camping, Biking.
- Entertaining and socializing with close friends and family.
- Watching great people do what comes naturally: Musicians, Artists, Athletes.

- **Exceptional ability to develop personal relationships**
- **Ability to create a fun and positive environment**
- **Talent for listening to people**

## Top 5 Reasons You Should Hire Me

### 1. Friendly and Personable

I help to create a relaxed and comfortable environment.

### 2. Professional and Efficient

With a technical background and a business degree, I understand how to manage a business to profitability.

### 3. Strong Integrity and Work Ethic

While I love to work in a challenging environment, I "play to win", and I am compelled to play by the rules.

### 4. Clean and Neat Appearance

Professional appearance with a sense of style.

### 5. Fast, Agile, and Precise

Able to produce multiple drinks at one time during high volume periods.
