Congratulations on completing training and completing the RBS exam to become certified.

Your RBS certificate is recorded on your Server Dashboard. We are using digital certificates, which will be housed in the RBS Portal. You have been issued a certification number (your server ID number), which will serve as your RBS certificate and is valid for three years. You will receive email notifications when you are eligible to renew your RBS certification.

Your employer will be able to check and confirm your certification through their License Administrator Account on the RBS Portal. We will not be issuing a physical or downloadable certificate.
