Work Experience

Carpentry/Construction/Painting/Delivery Laborer

Coffee House Industries - Palmdale, CA

March 2022 to Present

Marketing and advertisement company located in Palmdale, Ca.

Carpentry of sets and floats as advertisement for youtubers and movie productions within Coffee House Productions HQ warehouse. Delivery and installation of finished product was also completed on client job site. Deliveries were made both locally and throughout the lower 48 states.

Airport Maintenance

Roswell air center - Roswell, NM

March 2022 to June 2022

Working with the city of Roswell airport within the maintenance department I assisted in assembling parts onto heavy equipment, landscaping, tree trimming, F.O.D walks, weed control, pest control, airport security and building repairs. I utilized my experience in heavy equipment and operated front end loaders, dump trucks, street sweepers/runway rubber scrubbers, skid steers, forklift's and commercial lawn mowers. Light forklift experience without certification.

Freezer warehouse worker/order puller and loader

Kroger Distribution center - Houston, TX

November 2021 to March 2022

While employed at a Kroger distribution center warehouse within the freezer department I was positioned to receive store inventory orders via a headset, and picked the full order onto a pallet utilizing a electric pallet jack. I would then stack the product and shrink wrap it for safe travel. Utilizing the electric pallet jack I would then load the wrapped palletized order into the correct semi trailer to be delivered to Kroger grocery stores in the Houston and surrounding area. The process would then be repeated until all trailer loads and store orders were completed for the day.

Night shift part time Housekeeping

WINDSOR BUILDING SERVICES - Conroe, TX

July 2021 to December 2021

Windsor building services is a housekeeping agency that provides cleaning services for office and medical buildings in the Houston and surrounding area. While employed with Windsor I provided after hours housekeeping for medical buildings. Included, night cleaning of a surgical department.

General labor/Heavy equipment operator

AYG Construction - Houston, TX

July 2021 to November 2021

AYG Construction is a company that specializes in excavation centered around new commercial and residential high rise buildings. In addition AYG Construction does excavation work for city sidewalks and landscaping. As a general labor employee I assisted in various duties ranging from shovel work, leveling with the use of hand tools, spotting operators, assisting with dump truck loads, traffic control and any additional labor duties that may arise. In addition to this I was also a heavy equipment operator when the need would arise for a additional operator in the job site. While with AYG construction I operated skid steers, mini excavators, articulating dump trucks and rolling compactors.

OR EVS

Artesia General Hospital - Artesia, NM

February 2020 to July 2021

As a member of the surgical departments environmental services I was positioned with the main task in cleaning and sanitizing the hospitals surgical rooms between surgeries. The position was fast paced, demanded attention to detail and involved rigorous logging in order to ensure the health of the patient. In addition I would clean and sanitize additional units within the hospital including the ER when body fluid biohazards were present. Additional housekeeping chores were done towards the end of my work shift.
