To secure a full time, permanent position that is commensurate with my experience and abilities. I have acquired work experience in retail sales, inbound and outbound warehouse distribution, inventory data collection, and rubber and plastic extrusion manufacturing and machine operation. All former positions included varying roles and assignments that demanded effective team strategizing and execution, as well as consistent and effective communication with both team members and management. I'm resourceful, quick-thinking, eager to learn, responsible, reliable, self-driven, and someone who takes initiative in all circumstances.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Warehouse Associate/Forklift Operator

American Woodmark - Fullerton, CA

November 2022 to May 2023

Order pulling with electric pallet jack, pallet building.

Warehouse Associate (6 Month Temp Contract)

Talley Inc - Santa Fe Springs, CA

August 2021 to March 2022

As a warehouse associate my job duties included unloading trucks and flatbeds with a sit down forklift, counting incoming inventory, checking for pallet and product damage. Other roles also included putting away received products and pallets using a stand up forklift with an RF gun and helping to pick orders with an RF gun as well.

Warehouse Associate

PrimeSource Building Products - Santa Fe Springs, CA

February 2019 to February 2021

Order selecting, loading and unloading in both shipping and receiving, working as a member of a team and communicating effectively in order to accomplish daily company goals. Customer service and assistance in outbound and will call departments.

Machine Operator

VIP Rubber - Plastic, CO

October 2017 to November 2019

Worked as both a Goodman Guillotine and rubber extruder machine operator.

Worked with a team of two machine operators, two designated helpers., two autoclave team members, and a mill machine operator. Additional job skills including ID and OD (Inside/Outside Diameter) caliper measurement consistent with product standards, frequent enacting of ETL (Extract, Transform, Load), rubber compounding, quality assurance practices, inventory data collection and management,

HAZMAT safety practices, propane sit-down forklift training and operation, certification in both ISO 9001: 2015 and AS9100 201:09

Outbound Associate

Home Depot Supply Chain - Redlands, CA

March 2016 to October 2016

Scanned and manually input product information into Gladiator scanner and subsequently merchandise into mobile carts from two electric conveyors according to Home Depot safety training and practices, frequently assisted loaders in loading merchandise into trailers from mobile carts depending on product-flow and cart build up.

Warehouse Associate

Garvey Wholesale Beverage - Rosemead, CA

August 2014 to March 2016

I worked with a team of other warehouse associates selling a variety of alcohol brands and promotional kits wholesale to both older company clients and potential new customers with the proper California liquor licenses. Other job responsibilities included helping warehouse associates pull stock and fulfill orders as well as load the customers vehicle when orders grew congested.

Outbound Associate

Target Distribution - Rialto, CA

October 2015 to January 2016

Safely and efficiently handled and transited merchandise using electric standup forklift as needed. Received and loaded various sized cardboard boxes, plastic containers, packages, and various individual products into trailers from electric conveyor and no less than five at one time. Merchandised was safety loaded into trailers with the objective of filling and utilizing virtually all empty trailer space. Successfully completed Safety Abilities Test, Hearing Test, and standard medical physical examination.

Inventory Specialist, Store Associate

Target, West - Fullerton, CA

March 2008 to 2013

I worked with my inventory team directly recording inventory data throughout designated store departments utilizing both RIM and LIFO inventory methods. Inventory data was recorded and requested through an RFA device. Major areas were designated merchandise areas and end caps which not fully stocked to max capacity. Other duties include pulling products from the stockroom, stocking store shelves to full capacity, implementing safety practices with consumables such as FIFO (first in, first out) checking expiration dates, answering store guests questions, providing information about department locations and products, helping customers load merchandise within their vehicles, maintaining a safe and clean store, and cashiering.

Sales Associate

Target Corporation (Target) - Fullerton, CA

August 2008 to March 2010

Provided customer service through answering customer questions, finding product locations, providing product information, working with team members to help with additional information when needed. Cashier and inventory duties as well when store would hit peak hours of high in-store customer volume.
