Additional Information

My fullname is Aleksandr Arakelov. I am 36 years old, a year ago I came from Moscow to Los Angeles because of the political situation in my country. At home I worked as a sales manager in a pharmaceutical company. I have work experience in the USA, I worked as a dishwasher in a Mediterranean restaurant. My duties included washing dishes in the dishwashing machine (plates, spoons, forks, knives, glasses) and washing pots, pans and other cookware by hand, as well as cleaning the hall, restrooms and veranda. I have all necessary documents for employment (work authorization and ssn,). When I was a student in Moscow, I worked a lot as a salesperson, a room attendant, a busser and a waiter, a dishwasher too.
