**VALIDATE:** 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

Thank you, I got it.

Hello Trinh,

Please find attached the important polices and client-related information. If you are not able to sign and send this sheet back, can you please reply this email to confirm you've received and reviewed the information.

Best,
