Hello Angela,

Our records show that you have passed the RBS exam and are certified. [Your training certificate is recorded on your Server Dashboard in the training history at the bottom of the page.](#) We are using digital certificates, which will be housed in the RBS Portal. You have been issued a certification number, and that will serve as your training certificate and is valid for three years.

Name	Server ID	Training Received	Status	Expiration Date
Rankin, Angela Marie	313506557	06/10/2024	Certified	06/10/2027

Your employer will be able to verify your certification via the Licensee Login on the RBS Portal. In the interim, if you want, you may take a screenshot of your Server Dashboard and provide that to your employer.

We will not be issuing a physical or downloadable certificate.

If you have any additional questions, please do not hesitate to ask us at onlineservices@abc.ca.gov.

Respectfully,
