Professional Summary

I am an ambitious outgoing and hard working 26 year old finishing my college degree. I am very outgoing, professional reliable person. I enjoy working and Anything that requires challenging myself and elevating my knowledge. In the process of working over the years I have been grateful to have years of work experience and learn many valuable skills in the following career fields: Store manager and key holder, restaurant service, retail services, office clerk and assistant, and customer services.

Intelligent and innovative worker who excels at juggling multiple tasks and working under pressure. Highly motivated sales associate with store manager experience, setting up employee pay rolls, and interviewing others. Also I have experienced receptionist work in offices as well as customer service and sales experience. Fast paced and organized receptionist skills. Cashier skills at providing exceptional service, accurately handling money and proficiently managing store inventory to maximize customer satisfaction and sales. I am a determined worker that has a drive for excellent performance with each client I encounter.
