## EDUCATION

### **Choctaw High School, OK — *High School Diploma***

2014 - 2017

During my High School Career I achieved many memorable things. However, being a member of the Competitive Drama Program by far outshines anything else. I served as a member from my Freshman year, well into my Senior year, therefore being a part of many amazing shows during that time. This Drama Program not only teaches its students the skills required to act, but about extreme levels of dedication to the task at hand and those around you.
