## WORK EXPERIENCE

Oct 2022 - Jul 2023

### Cashier

Shell, San Francisco

Due to the distance I needed to have a vehicle and I was not in good condition to get one.

Jun 2024 - May 2025

### Dishwasher

Mission Bar & Grill, South San Francisco

It was a great experience. I really enjoyed the job, but unfortunately, staff were cut.

Now I'm willing to give much more than I could at the time.

## EDUCATION AND QUALIFICATIONS

Sep 2021 - Oct 2022

12

South San Francisco High School, South San Francisco

I'm a young man without any support, so I'm no longer pursuing my studies so I can go to work and support myself.

It's just me and my desire to get ahead.

## RESUME OBJECTIVE

I consider myself a highly organizational person. I make sure I complete my duties and obligations within the established deadlines.

I'm a sociable person and love working in a team. I believe collaboration is key to achieving the best results.

I would describe myself as calm but with a great capacity for initiative. I don't wait to be told what to do;

I'm always looking for ways to improve.
