Work Experience

Quick Quack Carwash
4301 Madison Ave., Sacramento, California
2010-2011

Cashier - Provided customer service, accurate cash transactions and safe environment to customers driving through the carwash. Experienced slow winters but extremely busy summers. Fast paced environment, with lots of work outdoors. Trained with Micro Logic POS system. Performed some mechanical work when machines broke down.

AutoZone
3121 Marysville Blvd., Sacramento, California
2008-2009

Customer Service Representative - Provided customer service including automotive troubleshooting both over the counter, and over the phone. Provided accurate cashiering, and exceeded weekly upsell goals. Experienced extremely fast paced and busy weekends. Completed large amounts of phone orders along with customer lines out the door.

Jamba Juice
4981 Watt Ave., North Highlands, California
2006-2008

Shift Leader/Training Mentor - High volume store with busy summers and busier weekends. Trained an excellent staff on recipes as well as the Aloha POS system, along with the importance of getting to know your customers. Performed daily inventory of supplies. Completed daily waste reports, as well as, orders for product.
