The company changed its name twice during that period to Instafotos and then to its present name, Ardent Impressions. From 1997-2004, we also had the contract at Stonestown Shopping Center in San Francisco, CA. That is where I worked during that 8 year period.

2009-2010 I worked for Photo Events by Muriel. The last year in 2010 was my first year with the real beard. I worked every day from Thanksgiving to Christmas. I presently have a real beard.

I am 61 years old. My date of birth is 06-30-51. I am a retired fire captain from Cal Fire. I worked for them for 36 years from 1969-2005. Working for the fire department gave me a lot of opportunities for working with the public, especially with children in our fire education programs in the schools.

I graduated from St. Joseph High School in 1969. I received a BA in Liberal Studies from San Francisco State University in 2007 after retiring from the fire department. While working for Western Temporary in 1987, I went through Santa College at the Hyatt Embarcadero in San Francisco, CA
